NO WAKE—NO WAKE— NO WAKE

Some Lake residents are beginning to ignore the no wake rules which have been in place for many years. These rules provide all lake users a time when they can enjoy Big Roche-A-Cri to the fullest extent. Please obey them and do your best to spread the word to violators. If residents ignore the rules, it is nearly impossible to get visitors to comply.

Did you know that the DNR has new rules prohibiting the transportation of firewood into a state regulated park more than 25 miles from that park or state regulated forest? The fine can be up to \$1000.
